**Important: Your Client's Small Employer Health Insurance Coverage Will Not Be Available Next Year**

Dear BNN GROUP INC:

Please accept this as notice of Aetna Life Insurance Company's and Aetna Health, Inc.'s decision to withdraw from the New Jersey small employer health insurance market. As a result, we will not be able to offer your New Jersey small employer client's current health insurance coverage again next year. Additionally, we will not issue any new plans with effective dates after June 30, 2017.

Health insurance coverage for each of your New Jersey small employer clients will end at midnight on the day before the renewal date, beginning with January 1, 2018 renewals. We will send notice of this withdrawal to your impacted clients 180 days prior to nonrenewal. In that notice, we will let your clients know that they can contact you with questions. We will also remind them in future premium bills that their Aetna health insurance coverage will not be renewed and will end at midnight on the day before the renewal date.

If you have any questions, please contact our Broker Support Team at 1-844-241-0209. We value our relationship with you and look forward to working together in the future.

Sincerely,

Aetna
